

Learning Life From Jesus
Cross Boundaries

Series Review: Abundant living consists of:

Pulled apart

How many lives am I living?

So much competition for my time and energy.

This is what happens when my life is fragmented.

Jesus integrates my life.

By living in me and blessing me with an abundant life.

Jesus sends me into all those areas that were previously pulling my life apart as his ambassador.

Wherever you are is where the mission of Christ is extended (e.g. the experience of Philip and others in Acts 8))

The missional church equips me and sends me to be Christ's representative in the world.

You are sent!

Paul and Barnabas are sent (Acts 13-14)

Cyprus and Perga, Antioch, Iconium, Lystra and Derbe.

Like Paul and Barnabas you are sent

Only difference is that you don't need to travel very far.

You embody the life of the church in your neighborhood, work, school, families etc.

But I don't feel equipped.

That is what the missional church is for... to equip you to be Christ's representatives in the world.

Know Christ

Let him live through you.

Experience the fullness of life.
