

Learning Life From Jesus *Abide in Christ*

There is a river that flows...

Through the heart of worship

Out into the world

It's the river of God – to be in it is to participate in God's life (i.e. it is to experience abundant life)

We have to find that river. It's the only thing that makes sense in life.

Find the river...

By accident

By practice

Be Real

Follow Christ

Live Generously

Glorify God

Make a Difference

Cross Boundaries

Stay on the River...

(The path of the river is not linear.)

...By abiding in Jesus

The example of Paul (Acts 16)

By developing a very dynamic responsiveness to the Holy Spirit.

Live Abundantly
